

Graham Perrett MP FEDERAL MEMBER FOR MORETON

To Whom it May Concern

I am pleased to write in support of the Comfort Inn & Suites Robertson Gardens. The suites and venue are in the Brisbane suburb of Robertson, which is in my electorate of Moreton.

I have presided over Australian citizenship ceremonies held at the venue since 2011. The venue is spacious and ample parking. The atmosphere and décor is appropriate especially for an event as significant as a citizenship ceremony.

In February 2013, the then Prime Minister, Ms Julia Gillard also visited the premises at a function welcoming her to my electorate.

The suites are across the road from the QEII Hospital and Griffith University.

Study Tours Brisbane is a division of Comfort Inn & Suites Robertson Gardens and prepares, coordinates and executes travel programs for overseas study groups visiting Brisbane.

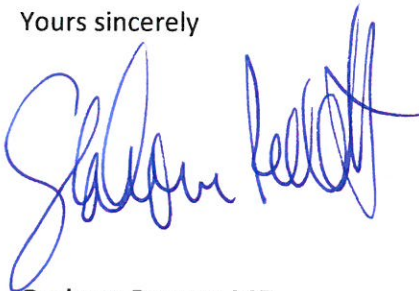

I am told that from arrival to departure, Study Tours Brisbane takes care of everything and considers group size, genre of study, length of stay, accommodation, transport, meals and budget.

I understand that the educational aspects of the tours are emphasised through the diverse range of event and activity options on offer, which encompass the study areas of health, hospitality, fitness, science, engineering, vocational training, beauty, nursing, and more.

I am always pleased to support businesses in my electorate. In small business, you find an exceptional level of commitment and stamina to succeed.

Please feel free to contact me if you wish to discuss the contents of this letter

Yours sincerely

Graham Perrett MP
