Letter of Reference - Michelle Allsop & Robertson Gardens

I met Michelle a number of years ago at various fundraising events or functions. Being the Marketing Director of Robertson Gardens, Michelle shares a strong community spirit and is regularly supporting various groups through her attendance at fundraising events. In fact, I have never known her to turn down such a request for support.

Robertson Gardens is a perfect example of home away from home with Beautiful manicured gardens, clean accommodation, good rates, good amenities, clean rooms and friendly staff.

In conjunction with World Arts & Multi-Culture Inc, I personally have hosted as the Master of Ceremonies for more than 13 Australian Citizenship Ceremonies (to date) at Musgrave Room, Robertson Gardens with around 90 New Citizens at any one time.

The reasons we host at Robertson Gardens are: its convenient location at Robertson Gardens, ample car parking spaces, all the equipment that we need and all the catering requirement and the care that we have from Michelle and the team from Robertson Gardens.

To sum up Robertson Gardens have the Superb Environment. I have no hesitation in recommending Robertson Gardens for accommodation, Conference or hosting Community or Fundraising Events, Wedding Reception & others.

Michelle's efforts touch many in our society: from across the multi-faith and multicultural communities and in organizing events that provides benefit and enjoyment to the whole community.

I find Michelle is extremely respectful and trustworthy person in dealing her business for Robertson Gardens as well as in dealing with the community. Her attention to details is superb, as always. The level of service from her and the team at Robertson Gardens needs to be commended.

Michelle has high integrity and a very good character. Some of her many attributes is generosity by nature. She is extremely energetic and reliable during the time I have known her. Michelle carries out her business or community projects with efficiency and exceptional skills. She works industriously and sees tasks to completion. She has good communication skills in dealing with her business and the community as well as builds a warm rapport with them.

If you require any further information, please do not hesitate to contact the undersigned. Thank you.

Yours sincerely,
